

ACADEMIC YEAR 2017-2018**Inauguration of Entrepreneurship Development Club**

The official Inauguration of Entrepreneurship Development Club was done by Mr. George Kulangara , Founder Chairman Labour India Group on **17/03/17** .The session commenced with a prayer followed by Welcome Address by Dr. B . G Vishnuram, Principal, ASET. Felicitation was done by Dr. Krishna Kumar Kishor, Assistant Director Academics.

A Session on “Life Skills Training” was given by the chief Guest. Mr. V.J. George Kulangara, who is an illustrious educationist and an ambitious entrepreneur, emphasized the importance of Confidence for building the skill of entrepreneurship .The session progressed with inspiring videos on how to become a winner in life. ‘Life skills learning’ is reflected in the knowledge, experience, wisdom, harmony and self-realization rooted in the practical affairs of ordinary people. Life skills have been defined by the World Health Organization (WHO) as "abilities for adaptive and positive behavior that enable individuals to deal effectively with the demands and challenges of everyday life".

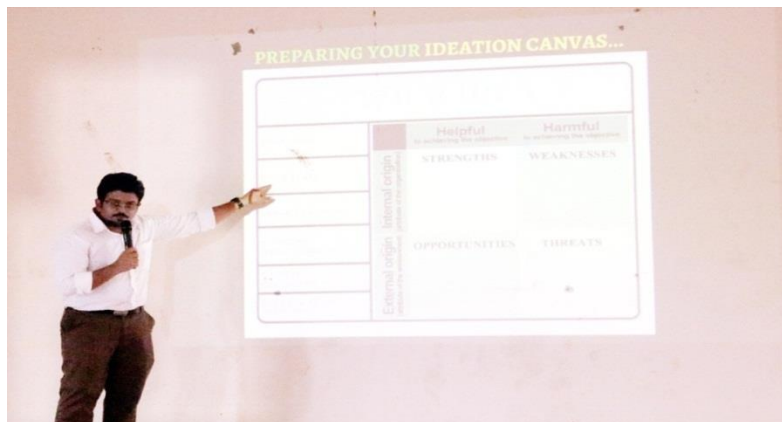

Discussion with Mr.George Kulangara

They represent the psycho-social skills that determine valued behavior and include reflective skills such as problem-solving and critical thinking, to personal skills such as self-awareness, and to interpersonal skills. The students were inspired by the interactive session building a positive attitude. Principal ASET presented Memento to the Chief Guest as a token of Gratitude. The vote of Thanks was given by Mr. Roshan Sanu Y, AP/CSE ,ASET.

4.3. Entrepreneurship Awareness Programme

The Entrepreneurship Development Club (EDC) at the Ahalia School of Engineering and Technology, recognized by Kerala Startup Mission as an IEDC, works to spread the message of innovation, incubation and entrepreneurship amongst the students. On **7th April 2017**, the EDC conducted a one-day Entrepreneurship Awareness programme with the objective of promoting entrepreneurship among the youth and to nurture a passion for self-employment. The event was attended by 45 students and the coordinators of the EDC. The speaker for the event was Mr. Mohammed Shubin from Entrepreneurship Development Institute of India [EDII]. The programme was divided into two sessions. The first session was oriented towards setting up of enterprises that cater to the needs of the public as well as the industries in the region. The second session was activity based, where the students were divided into 9 groups. At the end of the session

each group was asked to present their start-up ideas and business plan, and the best business plan was awarded as a token of encouragement.

Session by Mr.Muhammad Shibin

Session helped to get oriented towards setting up of enterprises which will provide them creativity, freedom and ability to generate wealth. This enabled them to cater the need of public as well industries requirement in this region. The session was interactive helping them to think in interdisciplinary domains.
